

***Biagio Giacalone***

Is Head of Capital Markets Solutions at Banca IMI. Responsibilities include structuring of tailor made solutions for institutional clients. Prior to joining Banca IMI, Biagio has been Head of Business Development at Sanpaolo IMI and previously Head of Financial Institutions with UniCredit Banca Mobiliare, where he focused on the debt capital markets activities. There, he managed bond issues, abs products and other large asset-based transactions for banks and financial sponsors.

Up to that time he was with Banca Intesa in Structured Finance & Advisory, where he has served, as Vice President, large corporates on structured finance transactions and credit derivatives products.

He graduated magna cum laude in Banking and earned an MBA (Sloan School of Management of MIT, Boston, Programme).
