

2ND ANNUAL Opportunities in the Italian Funding Market:

Securitisation and Covered Bond

8/9 October 2009, Palazzo Altieri, Rome, Italy

ABI Associazione
Bancaria
Italiana

An Affiliate of SIFMA 

SIFMA[®]
European Covered Bond Dealers Association

WHY ATTEND

+400 delegates including originators, investors and policy makers attended the event in 2008. Topics this year will include the long term sustainability of the Italian mortgage industry, investor perspective on how to restore confidence in the market and how to navigate the new regulatory landscape at both national and European level.

KEY TOPICS AT THE EVENT INCLUDE:

- An overview of the different Funding Alternatives available to Lenders across Europe
- Comparing the Eurosystem and Government Programmes to Support Mortgage Loans
- Determining the Impact of Industry Initiatives to Restore Confidence in the Securitisation Market
- How European Legal and Regulatory Reforms are Changing the Italian Covered Bond and Securitisation Markets
