Villa Miani

Gala Dinner – Rome, 12 November 2009, 8:00 p.m.

**CARTE 2010** and **ABIEventi** are pleased to invite all the participants to the Gala Dinner at **Villa Miani**, one of the most beautiful villas in Rome, from where you can enjoy an astonishing scenery of the city.

Villa Miani, built in King Humbert (Victorian) style, is placed on the slopes of Monte Mario and almost seems to brush the cupola of St. Peter's. In the early 1900s, the Villa was built up for the Miani Counts who enjoyed the wonderful panorama overlooking the city of Rome. The villa has been realized inside a century old park.

As extension of the century old park, there are a beautifully kept garden and a marvelous *patio*, where most of the elegant and important events hosted by Villa Miani are kept.

Villa Miani is in Via Trionfale 151
