

Marc Nocart

Appointed European Head of Securitisation in June 2007, Marc is Global co-Head of worldwide Securitisation since September 2008.

He joined SG's European Securitization team in October 2000, with the responsibility of developing securitization for European Corporates and the Public Sector.

His 22 year experience in asset-backed finance encompasses a large range of assets: trade receivables, stranded costs, real estate, consumer finance.

Prior to his joining SG, Marc headed Securitisation for 5 years at Crédit Agricole Group.

Before that, Marc spent 5 years within CCF (now HSBC) Structured Finance Group and spent another five years managing a proprietary asset swap book.

Marc graduated in Thermodynamics and holds a postgraduate degree (DESS) in Finance from University Paris Dauphine.
