

## VITO NATALE

### Director

Vito Natale is a director in Fitch Ratings' Covered Bond group in London. He joined in September 2007 and has since been involved in rating covered bonds out of Italy, France, Canada and the UK.

Before joining Fitch, Vito was a securitization analyst at Canada Mortgage and Housing Corporation, where he assessed the risks of and recommended improved structures for the Canada Mortgage Bond and other products. Previously, Vito was responsible for the arranging of securitizations involving diverse asset classes at the investment banking arm of UniCredit Group.

Vito graduated with a degree in Economic and Social Sciences from Luigi Bocconi University in Milan. Vito holds a Diploma in Corporate Finance from the University of California at Berkeley. Vito is a Financial Risk Manager and CFA charter holder.
