

Name and Surname     **VINICIO TROMBETTI**  
                                 **Partner**

Vinicio Trombetti joined Simmons & Simmons in 2001 and became partner in 2009.

He specialises in the banking and structured finance sectors and has a focus on securitisations and principal finance transactions.

In particular, he gained a significant experience across a broad range of securitisation and principal finance deals, on different asset types and with various structures (including securitisations with single issuance and with revolving structures, master trust programmes, partly paid and variable funding notes, warehouse programmes, cross-border transactions involving different jurisdictions).

Vinicio also has considerable experience in advising financial institutions on debt capital market transactions, including issuance and placement of debt securities, setting-up of note programmes, restructuring of bonds.
