

Brian Wedge
Client Access and SWIFT Product Manager for EMEA
JPMorgan Treasury Services

Brian assumed this role in December 2007 and is responsible for ensuring that JPMorgan's span of channel access services meets the needs of our clients and other stakeholders. He is also charged with ensuring that the Treasury Services business and its clients fully leverage the products and services offered by SWIFT by acting as the advocate for the Treasury Services business at SWIFT and related industry forums. He is a board member of SWIFT UK, currently serves as chair of the SWIFT UK Corporate Access Group and has previously served on the global SWIFT Corporate Access Working Group.

Brian has worked for JPMorgan Chase Treasury Services for more than 25 years beginning his career with the bank as a systems analyst. Since then, Brian has held a number of positions in Product Management and Operations, recently as the Global Product Manager for CLS, which he held for four years including serving as the Chair of the CLS Third Party Working Group.

Brian has also held senior positions within Barclays Bank and a US Savings and Loan Association. He holds a BA in Mathematics and Operational Research.
