

Paolo Carabelli
Head of New Business Department
Monte Titoli S.p.A. – London Stock Exchange Group

Paolo Carabelli is the Head of New Business Department at Monte Titoli where he has worked since 1987.

He has accumulated a wide experience in several areas of the securities industry. In particular he was deeply involved in the development of the Monte Titoli's settlement network with the others European CSDs while abroad he contributed to the development of the settlement infrastructure in Romania for the management of government bonds.

Currently he is chairing the Monte Titoli's user group 'Compliance with the ECSDA/ESSF standards', aiming at harmonizing the functionalities available in matching process.

Paolo has actively participated to the T2S project since the beginning and performed as Chairman of the technical group for the definition of matching requirements of the new platform. Currently he is member of the Advisory Group and Chairman of the Sub-Group for Message Standardization.

In 2009 he has been appointed Project Manager for T2S and is in charge to coordinate the Monte Titoli's adaptation process to T2S.
